

Small Format Kiosks & Interactive Video Displays

for In-store Captive Marketing and eMail Address collection.

EZ to integrate into your POP or Display

ZOSK SYSTEMS provides all retail industry and multiple location businesses with a completely integrated customer EZ-loyalty marketing solution for building, enhancing and expanding direct customer relationships. By integrating unique hardware systems and software, ZOSK systems can help brick-and-mortar establishments deliver timely marketing with EZ-email, EZ-coupons, EZ-card, and EZ-contests, cross promotions or specials to immediately impact sales both on-and-offline. Locally and Nationally. **Our goal is to generate more store traffic and sales while building customer loyalty.**
